Now I do not have to look at that annoying face ever again!

Best DLC. Covers her face.. It really surprises me that there is so little DLC for this game, and that it's mostly for the handler and not your character. But it adds to the fun for a reasonable cost. When costumes in MMO's cost \u00a310-30 each, this is really a bargain. I guess whether you think it's worth it depends on how long you intend to play the game.
